This is a complaint under Section 33 A of the Industrial Disputes Act, 1947, made by the Secretary, J. T. M. Employees' Union, Koratty, against the Management of Jamna Thread Mills Ltd., Koratty. The ground alleged in the complaint is that during the pendency of an industrial dispute I. When the representation of the Management appeared in pursuance of summons issued from Court, the Union representative submitted that the aggrieved employee was since reinstated and so time be granted to file a petition withdrawing the complaint. The prayer was allowed and on 10-8-1956 when

the case came up for hearing, a statement signed by the complainant and his representative withdrawing the complaint was filed in court. I allow the prayer and find that no Industrial Dispute subsists between the parties. Award accordingly.

AWARD.

This dispute was pending adjudication before the Trivandrum Tribunal as Industrial Dispute 70/55. It was recalled and re-referred to this Tribuual by Government in their order No. L. Dis. 7016/55/DD dated 15-5-56. The issues to be adjudicated are as follows:—

1 Is there any arrears of wages due to workers P. K. Gopalan, K. R. Ramakrishnan, P. C. Kumaran and K. R. Padmanabhan from the contractor? If so what is the amount due to each?

2. Is the non-employment of workers P. C. Kumaran, and K. R. Padmanabhan justified?

3. To what reliefs are they entitled,

(a) If the non-employment is justified?

(b) If the non-employment is not justified?

4. Are the workers eligible for any bonus for 1954? If so, to what extent?

In pursuance to the Government Order referred to above I have registered the dispute as Industrial Dispute 42/56 on the file of this Court and issued summons for parties on 16-5-56. The parties entered appearance on 30-5-56. Both sides filed a joint statement on 16-6-56 to the effect that they agree to continue the dispute before this Tribunal from the stage where it was left. The Union had filed their claim statement on 3-6-55. The employer had filed his Counter-Statement on 17-6-55. Both sides had also filed their list of documents and schedule of witnesses. When the case came up for evidence before this Tribunal on 24-8-56 a compromise petition was filed in Court and both parties signed it in my presence. It is submitted in the petition that the dispute has been compromised between the parties out of Court and that they pray for an award in those terms.

In the result the compromise is accepted. I find that no dispute subsists between the parties on any of the issues at present. The reference is answered accordingly. No order as to costs.

This award will come into operation from the date of its publication in the official Gazette under Section 17 of the Industrial Disputes Act 1947.
